

PLUS 31-10 ES

Screw compressor with belt transmission, complete with dryer.

Lubricated screw compressor with belt transmission, ETIV electronic controller. Soundproof cab made of hot-painted sheet metal, radial ventilation and integrated refrigerated dryer

TECHNICAL DATA

|                                 |                |      |
|---------------------------------|----------------|------|
| Product code                    | V60BV92FNM860  |      |
| Lubrication                     | Lubricated     |      |
| Air-end                         | FS100          |      |
| Power                           | 30             |      |
| Air outflow                     | l/min.         | 4200 |
|                                 | m3/min.        | 4,20 |
|                                 | c.f.m.         | 148  |
| Max. pressure                   | bar            | 10   |
|                                 | p.s.i.         | 145  |
| Nr. of stages                   | 1              |      |
| Sound level (dB(A))             | 70             |      |
| Voltage / Frequency (Volt / Hz) | 400/50         |      |
| Connection (G)                  | 1" 1/2         |      |
| Controller                      | ETIV           |      |
| Type motor                      | Electric       |      |
| Energy efficiency               | IE3            |      |
| Gross weight (kg)               | 818            |      |
| Net weight (kg)                 | 728            |      |
| Packaging dimensions LxWxH (mm) | 2050x1140x1670 |      |
| Net Dimensions LxWxH (mm)       | 1860x910x1440  |      |

\*Sound pressure level measurement carried out at a distance of 7 metres.
