

MK113-200-4

Professional single-stage belt driven compressor, suitable for craftsmen and small industries.

A single-stage three-phase belt compressor designed for intensive use, it is equipped with a 4 hp pumping unit with extremely reliable cast iron cylinders and a robust metal belt cover protecting moving parts. Controls located at the front of the machine ensure easy operation. The 200-litre tank for a large air reserve, large wheels, two pivoting wheels and the convenient full-length, angled handle ensure easy transportation.
